

Workshop Materials for Optics and Optoelectronics

8, 9 june 2016, Gif sur Yvette

*The CHARM₃AT LabEx
organizes a 2-day workshop on light-sensitive materials*

*Materials for
Optoelectronics*

*Materials for
Luminescence*

*Materials for
Photo-switching*

Invited speakers:

- Silvana BOTTI, Germany (*University of Jena*)
- Wesley BROWNE, The Netherlands (*University of Groningen*)
- Geneviève CHADEYRON, France (*Institut de Chimie de Clermont-Ferrand*)
- Olivier DAUTEL, France (*Institut Charles Gerhardt, Montpellier*)
- Gabor MOLNAR, France (*Laboratoire de Chimie de Coordination, Toulouse*)
- Erik VAN DER KOLK, The Netherlands (*TU Delft*)

**This program includes oral communications and posters sessions
No registration fees, abstracts required before May, 22^d**
